Order Phone & Cable Lines Today! Call Comcast for exhibit space exclusively dedicated internet. **All services MUST be scheduled to be INSTALLED on Tuesday, March 8th between 8am-12noon.**

Floor Coverings are Required: Use Vinyl, Hardwoods, Carpet with Padding, Astro-Turf, Pavers....

Floor coverings must cover at least 90% of the flooring of the space. The flooring of your exhibit creates a sense of space – potential clients stepping over that line means they are serious! Tape Carpets Down for Public Safety - use yellow tape for grade changes with pavers. The Atrium has black wall-to-wall carpet – please protect it from stains & moisture.

Items OVER 4' Tall MUST be placed in the rear 4' of your booth. Keep it low next to your neighbors in the front 6' of exhibits. If you have an outside corner, discuss your exhibit height with show management. All items over 4' tall go into the rear 4' unless you booked a booth with high drape on the sides. Storage Sheds, Greenhouses, Structures can be over 8' but no commercial signage without permission from management.

Construct hard walls 2" narrower than the width & depth of the booth to fit inside drape poles.

For example, build 10'x10' out at: 9'10"x9'10" ~ build 10'x20' booth to finished dimensions of 19'10" deep x 9'10" wide.

NO BRANDED or UNBRANDED TENTS allowed without Show Management Permission – call us today to discuss asap.

NO Un-skirted Tables unless fine or patio furniture. No wrinkled tablecloths permitted.

If using portable tables (with folding legs) you must use an ironed tablecloth/skirting down to the floor to hide 100% of the table legs and boxes stored underneath. Consider a bar height counter as you meet your customer at a comfortable height. Order professionally skirted tables from the decorator, FERN - save if ordered by February 22nd. Fine or decorative furniture & patio furniture look professional without skirting/cloths.

Stand, or Sit UP HIGH on a bar stool so you are at eye level with customers! Why make a customer bend down to view materials? Sitting down low conveys you are tired & don't want to be bothered. A great trick to raise your tables is to slip short pieces of pvc pipe over table legs to raise to bar height. Our decorator rents bar height chairs and counters, or bring them from home.

FREE Sign Hooks are available in show office. Do not pin or staple to the drapes or walls. The flame proof drapes will cost you \$85 per panel if cut, pinned to, stapled to, or painted on. Berg staff can assist with ideas to hang signs onsite.

Use Professional Signs - No Handmade Signs Allowed, unless very artistically executed.

Use computer generated signs (enlarge signs at printers) or visit a local sign company. FERN designs and creates all our show signs! If you need professional signs or banners please contact FERN to discuss your project: 1-800-774-1251 ext. 1

Plants & Flowers Improve Display Quality and Attract Attention! Your neighbor's dazzling exhibit will compete for attention. It's springtime!
